## HARRIS 24

# Get answers for your business question within 24 hours!

Do you need some concept test results quickly, a few numbers for an important meeting tomorrow or to urgently confirm you are making the right decision?

**Harris 24 provides results for urgent business decisions in ultrafast timing.**

### Quick, international and high quality

**Harris 24** is an innovative research tool allowing you to launch your survey whenever you want and delivering back results to you in less than 24 hours.

Harris 24 is available globally. Covering more than 50 countries, Harris 24 gives you access to over **13 million consumers** to answer your questions. For the major markets **Germany, France, United Kingdom, Italy, Spain and United States**, surveys with **up to 2000 responses** can be turned around within 24 hours.

Our team of expert market researchers offer **consultancy and support** your study from set-up to questionnaire development through to analysis of results. Leveraging quotas you get immediate answers straight from **your relevant target audience** for up to 50 questions – faster than ever before!

### Investment

Decide on the number of questions, the number of respondents and the number of quotas – just like in omnibus studies. However, Harris 24 offers far greater flexibility, can be launched at any time and is often even cheaper!

### Wide range of applications

Harris 24 is a highly efficient and cost-effective solution to generate ultrafast insights without compromising on the quality of the data for the many types of studies:

- Concept/claims testing
- Communications testing
- Straightforward pricing and promotions testing
- Usage & attitude studies (U&A)
- Consumer profiling & incidence checking
- Consumer feedback on hot topics
- PR focused surveys
- Customer satisfaction
